The St. John Art Club

THE ART DEPARTMENT of the Dominion Exhibition at St. John, N. B., 1910, has been arranged by and is in charge of The St. John Art Club. This Club was formed some two or three years ago and its objects are to advance the knowledge and love of Art by exhibitions of Paintings, etc., and by lectures and papers on subjects pertaining to Art, while it is the aim of the Club to establish as soon as possible an Art Gallery to be the property of the City. Meetings are held monthly during the winter, when papers are read by members and others, and pictures exhibited by both professional and amateur painters. Afternoon classes also are held for sketching and study from cast and living models, at the Studio, 140 Union Street. The membership at present is about two hundred. It is hoped to increase this number very materially, and applications will gladly be received. The fee is \$1.00 per annum for both ladies and gentlemen. Mr. W. S. Fisher, is President, Mr. Wm. Brodie, Secretary, and Mr. M. V. Paddock, Treasurer.

The Art - Union of London

Nearly all of the English Paintings in this Exhibition have been kindly collected and forwarded by the Art-Union of London, a Society which has done very much for many years to encourage Art throughout the Empire; every year a drawing is held, when valuable Prizes in Paintings, Statuary, etc., are distributed, while each subscriber in addition is given an engraving or etching from works of celebrated artists. The Picture to be presented next year is an etching entitled: "Proclaiming our Sailor King, 1910," and shows the scene in Portsmouth Harbour on 9th May last, when His Majesty King George V. was proclaimed on board H. M. S. "Victory," the Fleet firing a Royal Salute. A number of Prizes in Oils and Water Colors have been drawn by subscribers to the Art-Union in St. John and other cities of Canada.

Mr. E. T. Sturdee, St. John, is the Hon. Agent of the Society the annual subscription to which is \$5.30.
